

COMMUNITY HEALTH WORKERS FOR ADVANCING PUBLIC HEALTH

UC SAN DIEGO SHIFA360 HRSA

The University of California San Diego (UCSD) in partnership with community organizations, health care centers, and apprenticeship placement partners are leading a Community Health Worker (CHW) training program to develop capacity in Native American communities and in Immigrant/refugee organizations.

The basic CHW training program:

1. Hybrid training- both online and in-person options will be available.
2. Selection and interview of eligible candidates
3. Initial 30 hours of CHW training

Financial Support Available

Full tuition fee • Childcare Cost • Travel Cost • Other eligible expenses

Earn a Community
Health Worker
certificate from UC
San Diego

Participants will be
eligible for the following
after completion of the
training:

Apprenticeships that can
lead to employment or
internships

Advanced training in
Healthcare support staff,
Soft Skills , or Leadership
and Self-Care Training

High level coaching to
become trainers of CHW in
their communities
